Compassion

If passion is the spark that lights a flame then compassion is the wind that sends it to the world. Compassion is the second phase in the mobilization of a Joel's Army intern.

Compassion is love on the move. It's the heart of God with hands and feet... your hands and your feet. It's the compassion of God that pulls us out of the sewer of religious mediocrity and places us on the path of passion for Christ. When we start on that path, God's compassion for us begins to flow through us. If we let compassion work with passion, it will flood our world with the life and power of God and bring the true heart of Christ to the fearful, the skeptic, and the needy.

That's a recipe for a revolution... a love revolution. We call it "Living the second." It's the Second Great commandment that Jesus gave us in Matthew 22, and it's the goal of the Compassion Phase. We practice it in Comayagua Honduras where the needs are great, then we take it with us to a waiting world.

In Compassion, you will live God's love and develop your unique spiritual gifts. The many ministries of Ruach and our partners let you use those gifts in a ministry that fits your interests and needs your help. God has called you into to serve in His Kingdom. JAI will help you prepare for His calling.

Typical activities include

- Daily quiet time with God
- Teaching in our K-12 School
- Assisting in an orphanage
- Conducting student ministries
- One-on-one discipleship
- Organizing ministry events
- Hosting short term missions
- Language training
- Corporate worship and prayer
- Ministry at a US military base

You will serve in these ministries and enjoy Honduran culture as you build Honduran and missionary friendships.

In your recreational times you can enjoy the natural beauty of Honduras, visiting Lake Yajoa or the waterfalls at Pulapanzahn, touring a local Cloud Forest, relaxing on the beach, or exploring Caribbean islands. Souvenirs and gifts can be purchased locally and in the large market towns. There are also several historic sites within the local area.

Compassion is one step in the fulfillment of Jesus' second commandment to us.

First we learn to love Him in Passion, then we practice loving each other in Compassion.

The Compassion phase will be a milestone in your life. It's a journey you'll never forget. It's extreme compassion and its time!
